

Village of Volente Vision Statement

In 2003, the Village adopted the following statement of its citizen shared vision of what Volente should become:

We, the citizens of the Village of Volente, believe in Civic Pride, Environmental Awareness, Minimal Government, Diversity and Friendship, and Privacy and Individuality.

We are dedicated to remaining united and working together as friends, neighbors, and citizens for the protection and preservation of the natural beauty and uniqueness of our country village and family way of life.

We will endeavor to protect the quality of life for future generations and ourselves. We envision a cohesive lakeside village that promotes harmony and diversity of community, inclusive of all socio-economic strata and age groups. We will protect our environment and ensure responsible and appropriate land use. We will keep our village safe from injury, crime and pollution. We will preserve our right to remain private in our daily lives, but at the same time promote civic pride and sense of community.

We believe in minimal government regulation and taxation. As empowered citizens we will constructively participate in, question, and oversee our elected government. We understand the community will face challenges and a sufficient level of government will be provided to protect this vision and our core values.
