5. Community Events/Spirit: The committee decided we should wait until we knew more about the lifting of COVID restrictions to plan any events. It was suggested that we wait until end of summer to plan any events. Jana Nace reminded us that the Mayor's bench was ready to be installed. The dedication of the mayor's bench could be included at this event.

Before the meeting was adjourned it was suggested that Isabelle reach out to the current council about the publication of the Newsletter and its distribution. (This item was placed on the March 16 Regular Council meeting.)
