SECTION 2 PERMITS

(a) A person may not operate a food establishment without a permit issued by the Village. Permits are not transferable from one person to another or from one location to another location, except as otherwise permitted by this ordinance. The application must contain the name and address of each applicant, the location and type of the proposed food establishment and the applicable fee. An incomplete application will not be accepted. Failure to provide all required information, or falsifying information required may result in denial or revocation of the permit. Renewals of permits are required on an annual basis and the same information is required for a renewal permit as for an initial permit.

(b) Prior to the approval of an initial permit or the renewal of an existing permit, the Village shall inspect the proposed food establishment to determine compliance with state laws and rules. A food establishment that does not comply with state laws and rules will be denied a permit or the renewal of a permit.

Extensive remodeling means that 20% or greater of the area of the food establishment is to be remodeled. The plans and specifications shall indicate the proposed layout, equipment arrangement, mechanical plans and construction of material of work areas, and the type and model of proposed fixed equipment and facilities. The plans and specification will be approved by the Village if they meet the requirements of the rules adopted by this ordinance. (a) The Village may, without warning, notice, or hearing suspend any permit to operate a food establishment if the operation of the food establishment constitutes and imminent hazard to public health. Suspension is effective upon service of the notice required by (5) (b) of this ordinance. When a permit is suspended, food operations shall immediately cease. Whenever a permit is suspended, the holder of the permit shall be afforded an opportunity for a hearing within 20 days of receipt of a request for a hearing.

(b) Whenever a permit is suspended, the holder of the permit or the person in charge shall be notified in writing that the permit is, upon service of the notice,

immediately suspended and that an opportunity for a hearing will be provided if a written request for a hearing is filed with the Village by the holder of the permit within ten days.
