

The Village of Volente staff and volunteers are mobilizing to help any and all area residents.

We are organizing and setting up phone lines to support Volente and the surrounding community 24 hours/day with the help of volunteers.

Phone support will be rotated to volunteers "on call."

If you have an emergency dial 911. If you have a need along the lines bulleted below call us.

If we don't immediately answer, we will make every effort to get back to you as soon as possible.
