

 Judy Barrick, Volente

Neighbors, I would like to suggest that you show up at the P & Z meeting tonight... they are going to discuss sending out the same 2004 survey we did 11 years ago..to compare apples to apples... we don't need to compare anything we need to see what the City Council and the P & Z is going to do for you and me over the next 1-5 years...if you think this makes any sense and a good way to spend "yours tax dollars" to send the same survey, then stay home... however....

If you can't make it and not that it makes any difference to the City Council since they don't listen to the citizens anyway, they have proven that....I would suggest that you send a letter to the Mayor, the City Council and Allison, Chair of the P & Z that we expected a little more from them...like a new progressive survey going forward from today... is the Village of Volente going to look like we do today 11 years from now...yes if we don't stop this insane madness.....

It's been previously posted here, but just a reminder to all that your Planning & Zoning Commission has its regular meeting/hearing tomorrow night at 7:00 p.m. down at City Hall. It would be great ... Jul 7 in General to your neighborhood
