

VILLAGE OF VOLENTE

March 18, 2020

PUBLIC NOTICE

DAY OF CARING MARCH 28, 2020

CANCELLED

Volente Community,

We are facing unprecedented challenges in our country, our state, and our communities as we respond to the Coronavirus pandemic. The situation has been evolving quickly, as you are all aware.

On March 17, 2020 the Village of Volente issued a Declaration of Disaster.

Travis County Judge Sarah Eckhardt issued Order prohibiting community gatherings of 10 or more anywhere in Travis County. All restaurants and bars in Travis County are closed to common dining, the exception being take out, drive thru or delivery.

Volente has a responsibility to protect the health and safety of our residents, families, friends and our communities.

Sadly, we must CANCEL the Volente Day of Caring that was scheduled for March 28, 2020.

I want to thank the following volunteers, Debbie Gold for her dedication and commitment organizing this community event. Councilmember Isabelle Evans for her assistance with all our community events. Terry Spurlin for designing and promoting our event. Bob Evans for repairing our community sign. All of our Volente Volunteer Fire Department Auxiliary. Our dedicated sponsors, friends, family and neighbors.

We will be working closely as a committee to reschedule as soon as possible.

Protecting our community is our top priority.

Sincerely,

Jana Nace

Mayor
