

Village of Volente Volunteer Open House

Meet your council members, learn about the standing committees,
and become involved in your Village

11 a.m.-2 p.m. February 22, 2020
Volente Fire Hall

The Village of Volente is looking for members of our community to serve on the standing committees of the Village.

Which committee would you like to be on?

How would you like to help?

If you live in the Village of Volente we need your ideas and help. We have openings on all standing committees. Each council member who is responsible for a committee will be at the open house to speak with you and answer any questions you may have about the work of each committee.

Our standing committees are:

Budget, Finance, and Administration: Jana Nace/Claudia Wilson

Governmental Relations Committee: Judy Barrick/Claudia Wilson

Parks and Environment Committee: Cindy Metro/Isabelle Evans

Public Safety: Ed Racht/Judy Barrick

Public Relations and Communication Committee: Isabelle Evans/
Jana Nace

Public Works: Claudia Wilson/Ed Racht

There are two other important bodies working in the Village.

They are the Planning and Zoning Commission and the Board of Adjustment.
